GUARDS ARMoured BATTLEGROUP SPECIAL RULES

UNFLAPPABLE: All Guards Platoons re-roll failed Platoon Morale tests. A company or higher command team cannot be used to re-roll this test a second time. Guards Armoured, Guards Armoured Recce, and 2nd Household Cavalry (2HCR) Squadron Command Teams may re-roll failed Company Morale tests.

SANGFROID: An Armoured Car Platoon of the 2nd Household Cavalry may attempt to Disengage even if it shot in its previous turn. They may also re-roll a failed Motivation Test to avoid being Forced to Disengage (rulebook, pp 150-151).

GUARDS ARMoured RECCE SQUADRON

(TANK COMPANY)

A Guards Armoured Squadron is fielded with Shermans (and optional Fireflies) or Cromwells (and optional Challengers), but not both. American Parachute Platoons are considered Allied Platoons as described on page 183 of the rulebook.
