		Marche Platoon	Reluctant Trained Rifle teams	

### OTHER NOTES

Force may have no more than three platoons of any one type of armour. Each of the three Panzerkompanies and the PzJäger Zugs contained just eleven AFVs per kompanie.

Each Panzer Zug or Panzerjäger Zug may be selected independently as either **Reluctant Veteran** or **Confident Trained**. This reflects the uneven status of this unit's performance and lack of training time with new equipment.
