

KAMPFGRUPPE SPINDLER

(INFANTRY COMPANY)

Over the course of the battle SS-Lt. Col. Ludwig Spindler would, at one time or another, command sixteen various major combat units. His actions were paramount in the destruction of the British attempts to dominate the Arnhem bridgehead area. Spindler exercised a highly devolved command style, establishing many independent commands. Each of these fought desperate battles, thwarting the British and ultimately defeating them. SS officers Allworden, Moeller, Gropp, Krafft, Harder, and Heer Captain Bruhns led these Kampfgruppen with distinction.
